Grocery List Activity

- 1) Write down items that "stand out" (seem weird), or a pattern that you notice on the list
- 2) Make at least three inferences about the person who wrote the list, and explain the reason for your inference.

Items that "Stand Out"	Three Inferences About Person Who Made the List
Example: Look at their handwriting- is it neat or messy? Write down any questions you have about items on the list.	Example: This person is a woman. I think she is a woman, because her list is on pretty floral paper.
